- 3** Decide the order you want your fabric strips to be and then tie all (15) strips to the cinnamon stick. Slide them up so you have a small piece of cinnamon stick on the top.

- 4** Using your hot glue gun add your loop of twine and your button to the top of your tree, I like to sandwich the twine between the button and the cinnamon stick.

- 5** Trim the bottom of your cinnamon stick to the length that you like.

- 6 You can use starch at this step if you want a more stiff fabric/tree, it is optional. Trim the edges of the fabric strips to create a “tree” shape.

you are ready to  
hang your ornament!
