

Pinecone Birdfeeder

supplies

- Pinecones (you can look for these outside or you can buy them) I got mine at Hobby Lobby in the Christmas crafts section.
- Peanut butter
- Bird seed
- Twine
- Hot glue

tools

- Hot glue gun
- Butter knife, spoon
- Bowl
- Scissors

instructions

1

Make a loop with your twine, tie a knot and hot glue to the top of your pinecone.

Pinecone Birdfeeder

2

Using your butter knife spread peanut butter between each of the pinecone pieces, you want it completely covered but not so thick that it slides off.

3

Add your birdseed to a bowl and with your spoon add the bird seed to the pinecone, shake off the excess.

4

Hang your bird feeder in your favorite tree to watch the birds!
