

# Potholder

## supplies

To make (1) potholder:

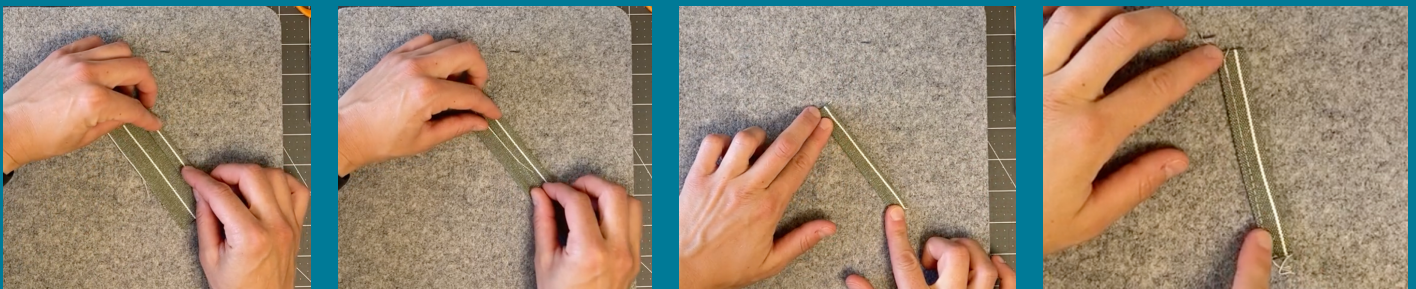

- Main fabric-(2) 10" x 10"
- Loop fabric-(1) 2" x 4"
- Batting- (1) 10" x 10"
- Insul-bright-(1) 10" x 10"

## tools

- Sewing Machine & Thread
- Pins & Clips
- Iron
- Ironing board/mat
- Self-healing mat
- Rotary cutter
- Acrylic ruler
- Fabric Scissors

## instructions

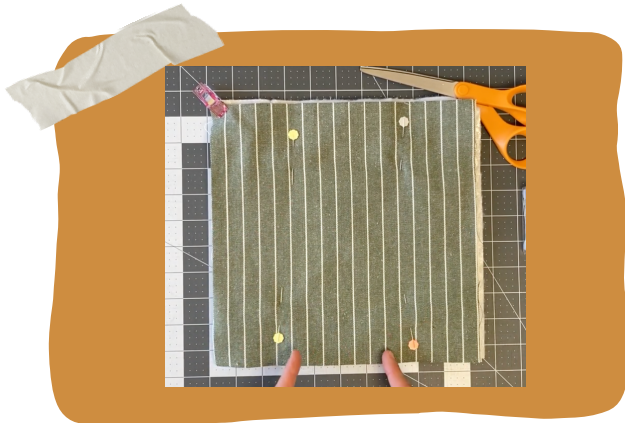

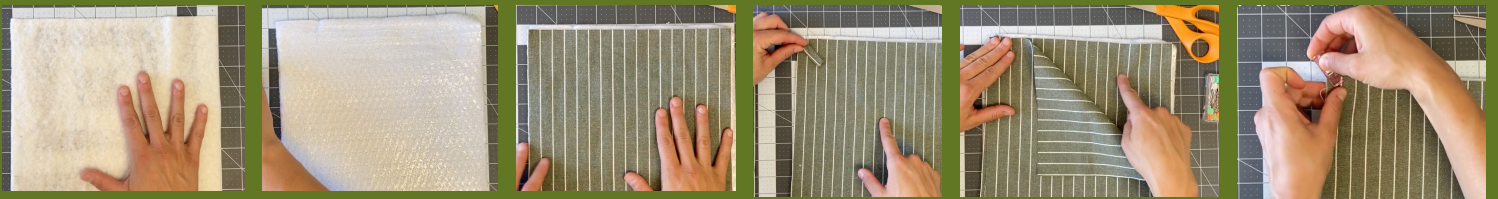

- 1 Cut all of your fabric and batting.
- 2 Take your 2" x 4" loop fabric and fold in 1/4" on the long side towards the middle, and press. Repeat on the other side. Fold towards the center and press. Sew a line on the folded edge.

# Potholder

3

Stack your batting, then the insul-bright, (1) fabric square, and place your fabric loop in one corner with raw edges lined up with the raw edges in the corner. Place your other fabric square on top, and clip the loop in place.

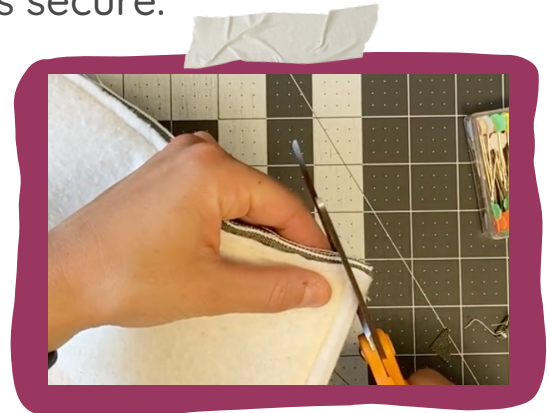

4

Pin all layers together. Sew using a 1/2" seam allowance, and backstitch at the beginning and end. Leave a 2-3" opening to turn out later. Backstitch across the loop to make sure it's secure.

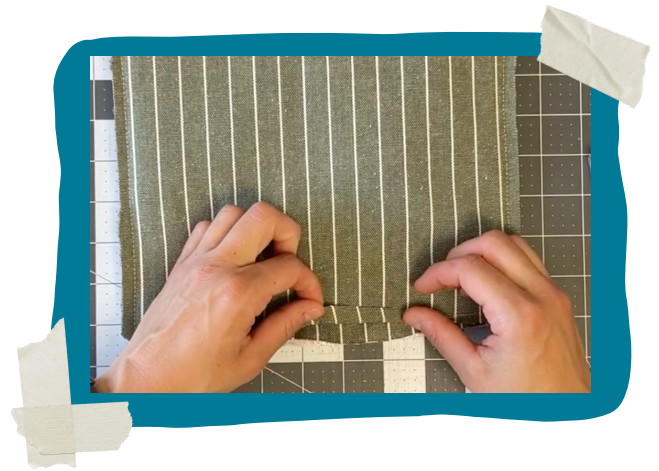

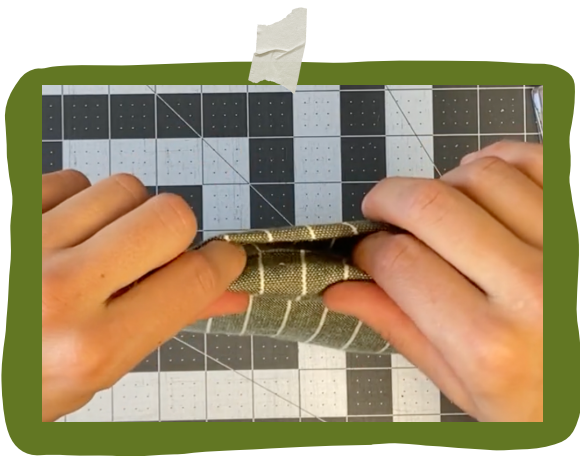

5

Trim the edges and clip the corners, being careful not to cut through a stitch line.

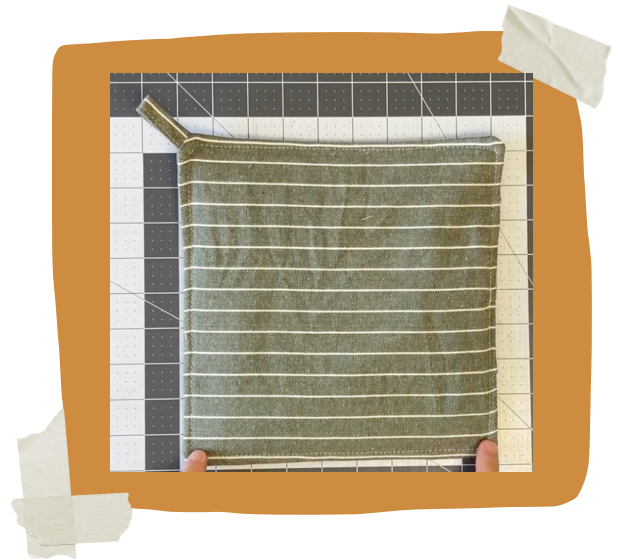

# Potholder

- 6 Going between your two fabric layers, turn your potholder right side out. Wiggle out the corners.

- 7 Fold in the raw edges of the opening, you can press with your iron if needed.

- 8 Topstitch using about a 1/4" seam allowance all the way around. Make sure to stitch the opening shut.

# Potholder

12 Congratulations!

you are ready to  
use your potholder!
