

# Pumpkin Garland

## supplies

To make (1) Pumpkin:

- Fabric 5" x 9"
- 1/2" Twill tape or ribbon 4" long
- Twine
- Poly-fil
- Printed pumpkin template

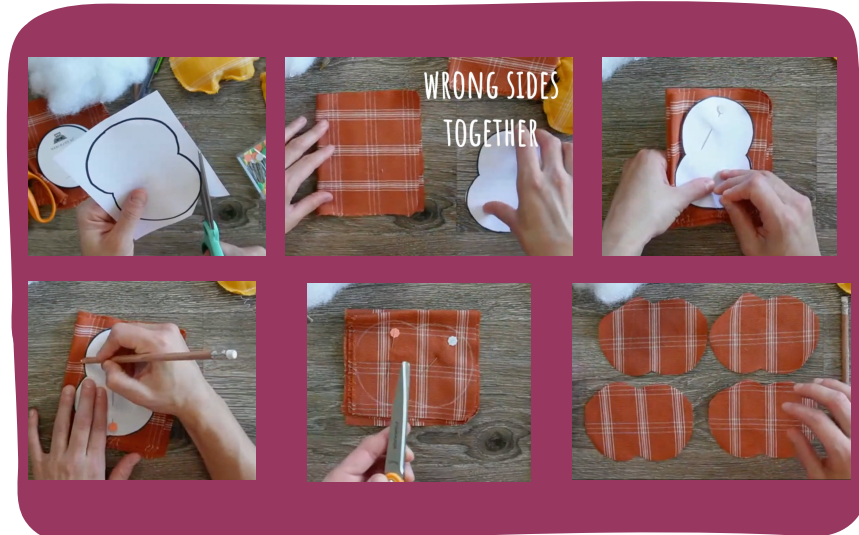

## tools

- Sewing Machine and thread
- Pins
- Clips
- Fabric scissors
- Paper scissors
- Marking tool (pencil)

## instructions

1

Print and cut out your template. Fold your fabric in half, wrong sides together, stack your template on top, pin in place. Trace around your template, remove pins and template. Replace the pins so the layers don't shift when cutting, and cut out your fabric pieces.

# Pumpkin Garland

2 Cut your twill tape/ribbon to 4", you will need one 4" piece per pumpkin.

3 Fold your twill tape/ribbon in half and sandwich it between the (2) pumpkin pieces, right sides facing out. The folded edge of the twill tape/ribbon will be out.

4 Clip your twill tape/ribbon into place, and add a couple of pins to the pumpkin piece.

# Pumpkin Garland

5

Sew with a 1/4" seam allowance, leaving a 1-2" opening at the bottom. Backstitch at the beginning and end. Stuff the pumpkin with poly-fil.

6

Sew the opening closed. Backstitch at the beginning and end. You can fray the edges if you want for an added rustic touch.

7

Repeat steps #2-7 for as many pumpkins as you want. String the finished pumpkins onto the twine to hang.

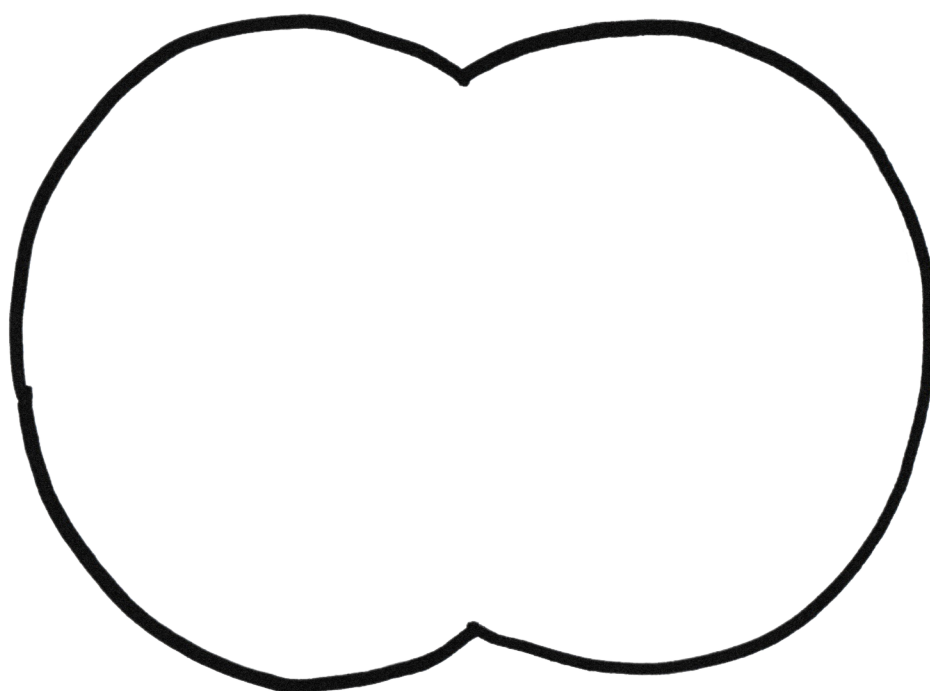

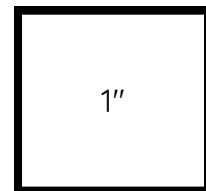

# Pumpkin Garland

you are ready to  
hang your garland!
