supplies

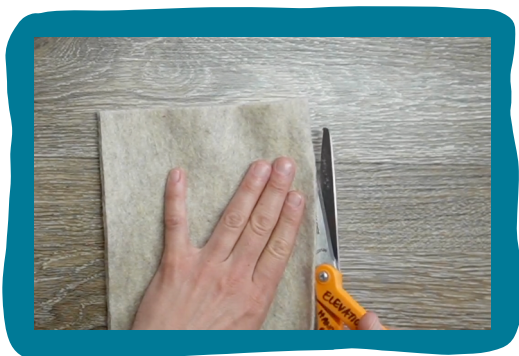

- Felt- (1) 9" x 12" background sheet (I used sandstone)

- Embroidery floss-colors of your choice

tools

- Paper scissors
- Pins

instructions

- 1 Print the turkey parts template, and cut out all of the pieces.

- 2 Take your background felt sheet and fold it in half so that you have (2) 6" x 9" pieces. You will sew your turkey design to one piece, and then you will attach the back piece at the end.

- 3 Place your turkey body onto the brown felt, pin it into place, and cut the shape out. Repeat with the outer eye (white), inner eye (black), wattle (red) beak (yellow), and the (8) feathers (your color choice).

- 4 Place the feathers on the front felt piece and pin them into place, making sure the turkey body covers any holes/gaps.

- 5 Thread your needle with (3) strands of embroidery floss, and tie a knot at the end. Hide your knot on the back of the felt and using a running stitch attach all of the feathers to the felt.

Now that all of the turkey pieces are attached, you can sew the backing felt on using the blanket stitch.
