- Letter stamps

tools

- Paintbrush

instructions

1

Start to shape your clay into a heart shape, a point at the bottom, and two rounded edges on the top. As you are shaping your heart start to pull up the edges so you are creating a shallow dish.

2

Once you have the tray how you like it, take your rubber letter stamps, and stamp a message into the bottom of the tray. Ideas for messages: XOXO, love you, be mine, cutie, hug me.

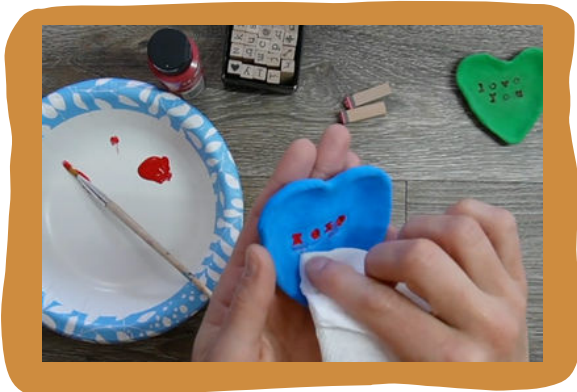

Conversation Heart Clay Tray

- 3 Add a small amount of red paint to a plate/dish, and paint into the grooves of your message, it does not have to be a lot of paint.

- 4 Quickly take your damp paper towel and wipe clean the paint from around the message, you want it to only be in the grooves of the letters. Use the dry paper towel as needed.

- 5 Let your tray dry completely and then you can give it to your Valentine to store little treasures.
